What's new in Montreal?

- The International Festival of Circus Arts is the latest addition to the over 100 festivals hosted in Montreal every year.
- **MONTRÉAL COMPLEXTION CENTER**, built in a collaborative, multi-level, and multi-use that will attract and influence people. It will contribute to the promotion of a wide array of circus arts forms, and in so doing will help position Montreal as a cultural metropolis and circus arts capital.
- With the creation of **MONTRÉAL COMPLEXTION CENTER**, Montreal is taking its place as the world's premier circus destination. The Festival of Circus Arts is the latest of our festivals in a city where the best talents of the circus world will meet.

Ottawa

JPdL

- The Canadian Museum of Civilization sits on a magnificent site in Gatineau, Quebec, overlooking the Ottawa River and the Parliament Buildings, five minutes from downtown Ottawa.
- With more than 25,000 sq. ft. of banquet and meeting space, the CMC can host a variety of events ranging from 1,500 guests reception style in the Grand Hall to a more intimate dinner for 50 in the Canada Hall.
- The CMC offers a unique atmosphere in internationally renowned exhibition halls.
- The CMC is Canada's most visited museum with more than 1.3 million visitors per year.
- Four natural features are abstractly represented in the Museum's form: the Canadian Shield, the glaciers, the streams formed by the melting glaciers, and the Great Plains that stretched before the receding glaciers.
